

# Road Map For iLight Intelligent Controls

From M25 Travelling Clockwise: Take Exit 19

Travelling Anti-clockwise: Take Exit 20

## By Road

From M1:

Exit at Junction 5.

Take A4008 - Watford Town Centre (Stevenson Way) exit at the roundabout. Continue along dual carriageway, passing straight over next roundabout. At the next roundabout turn right onto Beechen Grove. Bear left onto A411 (Ring Road) for 0.8miles.

Bear left onto Beechen Grove (Sainsburys Superstore on left).

Take 1st exit at the roundabout onto A412 (Rickmansworth Road). Continue on the A412 for 2 miles. Take first left at next roundabout and second exit at next roundabout (which follows immediately after) on to Ascot Road.

After short stretch of dual carriageway, take first exit at the roundabout and then first exit at the next into Greenhill Crescent.

From M25:

If travelling clockwise exit at Junction 18 onto A412 (Watford Road) leading to Rickmansworth Road. Alternatively continue until junction 19, turn right (third exit) at the roundabout and travel along Hempstead Road until the next main roundabout. Take third exit on to the Rickmansworth Road (Watford Town Hall on right) continue as per description above.

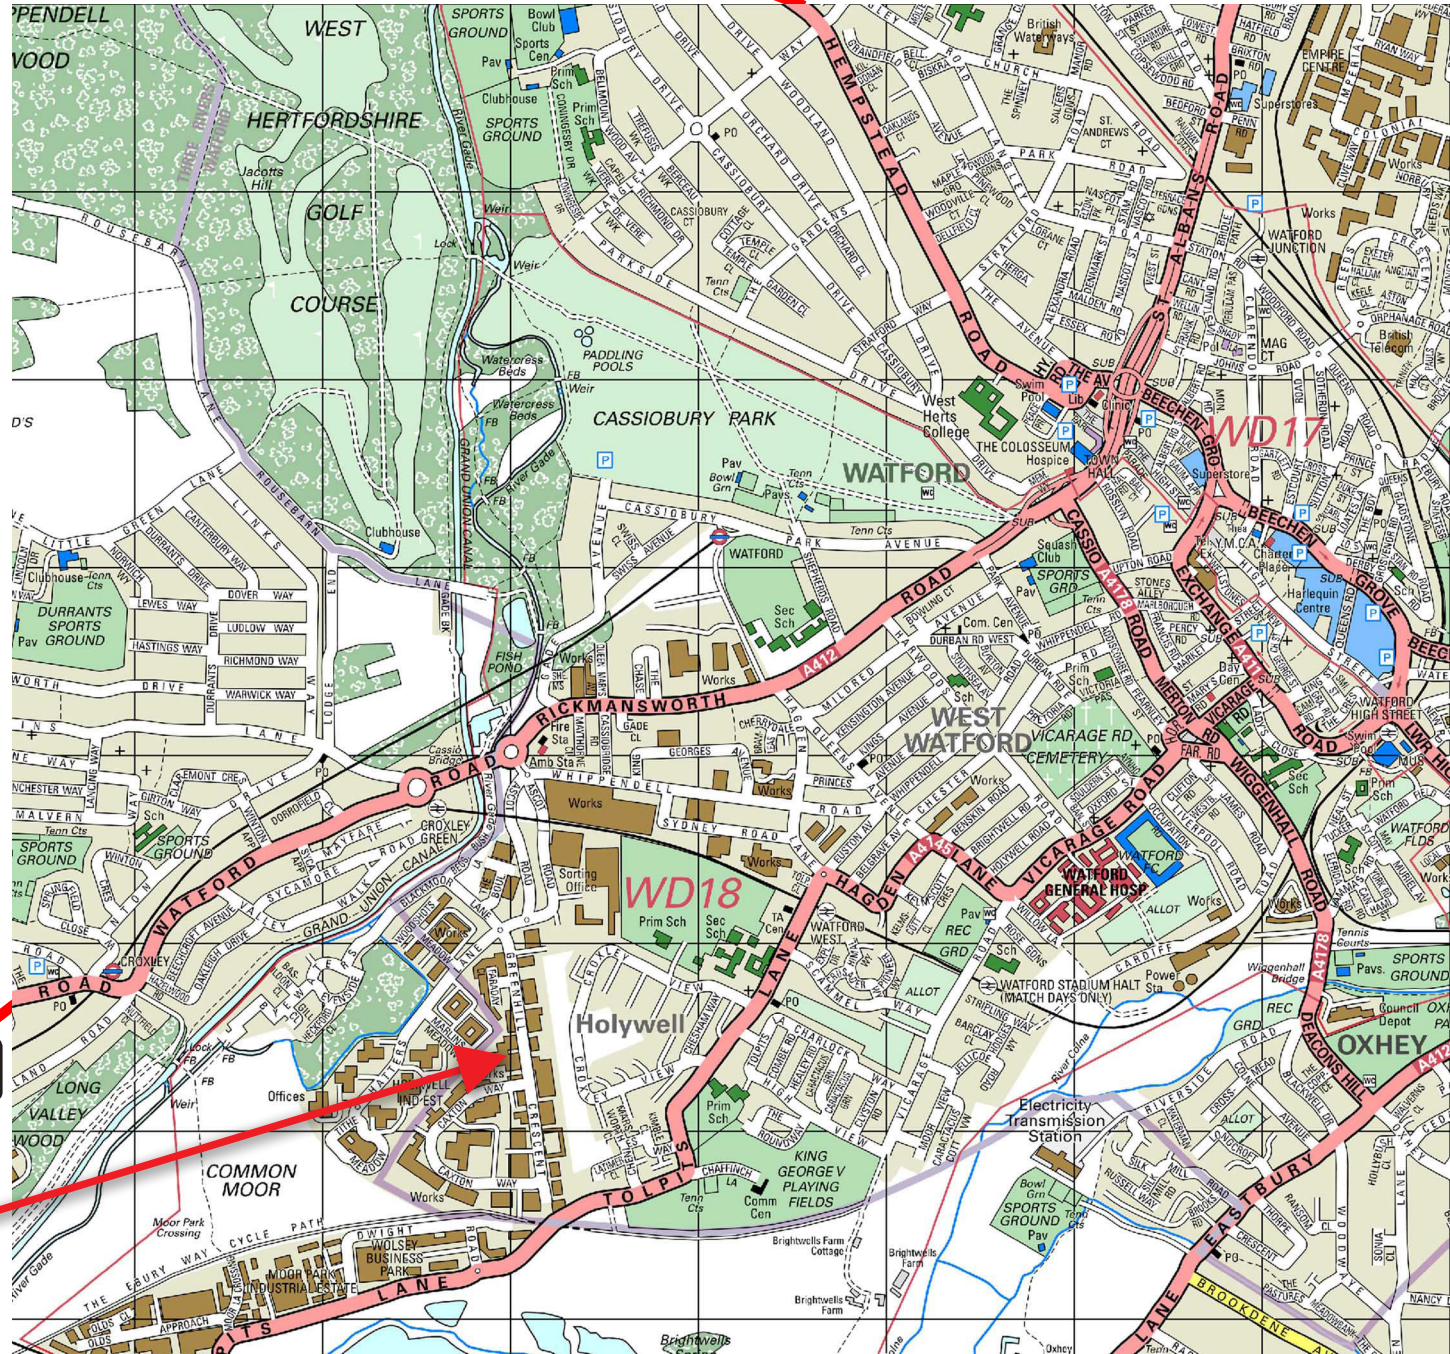

If travelling anti-clockwise exit at junction 20. Take first exit at roundabout (Watford Road) and continue to next roundabout. Take second exit (Hempstead Road) and continue as described for junction 19.
