Architrave:	Quantity	Button Colour
<input type="text"/>	<input type="text"/>	<input type="checkbox"/> Black <input type="checkbox"/> White

Please note:

- Custom button configurations attract custom charges (See Price List)
- Cancellations fees may apply.
- Not all configurations may be possible. iLight to advise against your request.

Custom Plate Configuration

Blank out buttons required for your custom configuration on the control panel drawing below and, if required, add symbol for Infra-Red in the available location.

EXAMPLE

Button location reference letter

Button Required (Add the character 'B')

Button Not Required (Leave blank)

Add the character 'I' if Infra-red receiver is required or 'B' for a standard button (Note: IR Location only available in button position 'G')

Architrave

Architrave Custom Plate Finishes
