

# User Interface - KENSINGTON

## Custom configuration order form

|                         |                     |
|-------------------------|---------------------|
| Name: _____             | Company: _____      |
| Project Name: _____     | Address: _____      |
| Telephone Number: _____ | _____               |
| Fax Number: _____       | Completed By: _____ |
| Email Address: _____    | Date: _____         |

| Kensington           | Quantity             | Button Colour   |
|----------------------|----------------------|---|
| <input type="text"/> | <input type="text"/> | Black <input type="checkbox"/> White <input type="checkbox"/> |

**Please note:**

- Custom button configurations attract custom charges (See Price List)
- Cancellations fees may apply.
- Not all configurations may be possible. iLight to advise against your request.

### Custom Plate Configuration

Blank out buttons required for your custom configuration on the relevant control plate drawing below and, if required, add symbol for Infra-Red of a programming point in the available location.

Button location reference letter

**EXAMPLE**

Button Required (Add the character 'B')

Button Not Required (Leave blank)

Add the character 'I' if Infra-red receiver is required or

Add the character 'P' if a concealed programming point is required or

Add 'B' for a standard button

(Note: IR Location and programming point only available in button position 'J' or 'I')
